

My friends and I went to a special poem recital.

To see what?

I don't know. I fell asleep when we got there.

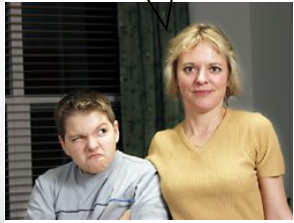

Will and I went to Jo-Jo's per-  
formance.

So, mom, what'd you think about my performance?

Look at Will's face.

Abra Ka-dabra and Walla!!

That was a great magic show, Mike!

What did you like about it?

Should I tell him I was lying?
